Story Time to go! 2020 registration

We had such positive feedback from our Summer Reading program and wanted to continue to connect with our families and kids! We are pleased to offer a new program this fall: Story Time to go! We will be creating a monthly themed bag, with a few different reading levels. Each month, participants will pick up their new challenge bag which will contain activities, crafts, and a new book to keep. The book will go along with the monthly theme.

Complete this registration form & return by September 1st (to give us time to order & receive the monthly books). Return via e-mail (roachdalepl@tds.net), PM to our Facebook (Roachdale Public Library), or drop the form in our drop box (located on the west side door of the library). The form is available digitally on our Facebook page!
