## We are looking for sponsors for our Reading Beads program!

Last year, students at Roachdale Elementary read over 22,760 books and chapters! Businesses, organizations, or families can sponsor a month of programming for our Reading Beads program which has expanded to include Roachdale Elementary AND Bainbridge Elementary 1st graders this year. Monthly sponsorship of \$40 or more helps cover the cost of beads, necklaces, the reading logs, and small incentives.

Each month, students receive a new reading log to track their progress - each 5 books (or chapters) read earns them a bead of their choice. On the logs, we feature the logo and business contact (including phone number and/or address, social site links & websites) of the monthly sponsor. This paper goes home to hundreds of families in our community & we also post on our social media.

Interested in helping sponsor this program? Contact Jennifer by calling 522-1491, visiting the library or at a fitness class, or via e-mail at [roachdalepubliclibrary@gmail.com](mailto:roachdalepubliclibrary@gmail.com).
